NXT MOV™ Four-Leg Stool

NXT MOV reinvents movement seating for tomorrow's classroom. The NXT MOV Four Leg Stool offers a completely new option for cafeterias and taller workspaces. The ground-breaking, patented design provides best-in-class comfort and style. The 2-part shell design enables the seat back to move independently from the seat, allowing the body to move in many ways. Poly shell is available at 24" and 30" seat heights. Choose a single color for the seat and back, or mix and match.

Alphabet® Four-leg Stool

The refined design of Alphabet Seating supports the many ways that students move with best-in-class strength and durability. The Alphabet Four Leg Stool offers a smart option for cafeterias and stand-up work spaces. Dual support channels and heavy duty seat brackets provide strength and durability. Available in 24" and 30" fixed seat heights.

Discover® Four-leg Swivel Stool

Discover Seating moves students IN to their work. Discover Swivel Stool offers support and stability in a variety of settings: cafeterias, libraries, labs, and maker spaces. The built-in foot ring provides added stability. Adjustable to 25"-33" height range. Standard and A+ shell sizes are available.

Convertible Bench

The Artcobell Convertible Bench is flexibility redefined. This unit easily converts from a lunch table to a back support bench allowing you to quickly reconfigure your space for testing, study or events. When folded, the units can be nested creating a compact storage solution to maximize your available space.

Use as benches or
combine for tables.
