TRANSFORM LEARNING SPACES

DISCOVER THE PRODUCTS:

TABLES

Maker Space Table

Pick the top that best suits your needs: durable, hard-wearing high-pressure laminate with a variety of colorful edge band options, or chemical-resistant epoxy for more specialized maker space projects. The fully-welded steel frame can be enhanced with pegboard end panels and heavy-duty shelves.

Learning without boundaries starts with a place for exploration. Heavy-duty Maker Space Tables can be configured with tops, shelves and end-panels to carry whatever meets learning needs, from play to real work.

Flip + Nest Table

Flipping and nesting tables offer the best in versatility. Flip down when you need more workspace. Flip and nest out of the way when you don't. Use a markerboard surface and your table becomes a presentation board. Expanse is a curvaceous rectangle that seats up to four; configure in groups projects or rows for lectures. Standard in 29" height; 25" and 27" heights available.

Catalyst Table

Catalyst is a medium-weight maker space option. Fully-welded steel frame with a high-pressure laminate work surface. Add casters (TA-CPTD3) for extra mobility.

Add more functionality to Maker Space tables and cabinets.

Maker Space Cabinets with Rails

Storage that's mobile, flexible and built of heavy-duty steel. Cabinets with rails can be expanded with separate lockable doors, three sizes of trays and a shelving option that can also move between cabinets and desks.

Maker Space Cabinets With Cubbies

Cabinets with shelves feature sturdy, built-in metal cubbies. Both options come with pre-drilled holes for installing charging/power grommets. Meets up with stand-height (42") tables or mobile bookcases. Available with nine (9) or six (6) 10.5" tall x 12" wide cubbies to hold backpacks, shoes, lunchboxes, and more.

Shelves + File Drawer

Secure, spacious, and ready to roll! 68"-tall storage cabinets can be used anywhere you need extra locking storage. Sturdy laminate-clad cabinets are on heavy-duty casters so they can be moved around, even fully loaded.

Divided Shelves

This 68"-tall divided wardrobe is the ultimate storage solution for busy educators. With ten roomy cubbies behind locking doors, it keeps supplies, personal items, and classroom materials organized and secure. Finished in durable, easy-to-clean laminate and mounted on heavy-duty locking casters, it's built to move—whether fully loaded or repositioned on the fly. Ideal for classrooms, makerspaces, or teacher prep areas where flexible, mobile storage is a must.

Wardrobe

This tall, lockable storage cabinet is built with teachers in mind—featuring adjustable shelves, a clothing rod for coats or umbrellas, and a bottom drawer for personal items. Durable construction stands up to daily use, while heavy-duty casters make it easy to move, even when fully loaded. A smart, secure solution for staff rooms, classrooms, or anywhere personal storage is needed on the go.

Store classroom supplies out of the way and secure.

68" tall storage cabinets can be used anywhere you need extra locking storage. Sturdy laminate-clad cabinets are on heavy-duty casters so they can be moved around, even fully loaded.
