CURVED + LINEAR MOBILE LIBRARY SHELVES

Get creative with media center and library layouts! Linear and Curved profiles can be mixed or matched for endless options. Heavy-duty shelving can handle a full load of books or supplies. Concealed, non-locking casters make it possible to move units even when loaded. Available in 42" and 48" heights.

Artcobell Mobile Shelving works in classrooms, learning hallways, media centers, and more.

Mobile Library Shelves

Mobility helps optimize the use of space. Instead of dedicating fixed areas to specific tasks, mobile equipment can be stored away when not in use, freeing up space for other activities.

MULTI-MEDIA TABLE

Artcobell Shape Tables are stylish and sturdy, providing variety for any learning space. Multi-Media table has a 48" x 72" work surface which makes presenting and collaborating a breeze.
