TRANSFORM LEARNING SPACES

### Alphabet Seating

The chair you sit “in,” not “on.” Refined design that hugs the body and provides comfortable flex. Ideal for everyday classroom use. 12" and 14" heights work best in Pre-K.

### Alphabet FLOT

Kids love to sit on the floor! Our 6" seat height FLOT chair features the patented Alphabet surface geometry for better ergonomic support and comfort. Alphabet Four-Leg FLOT is lightweight, easy for students to move, and adapts well to today's active learning environments. FLOT supports students sitting forward, backward, or even sideways.

### Discover Seating

Comfort with a balance of flex and support for a range of movement and seating positions. Ideal for task seating in active classrooms. 12" and 14" heights work best in Pre-K.

★ Alphabet Cantilever

### Alphabet Rocker

The refined design of Alphabet Seating supports the many ways that students move with best-in-class strength and durability. Engineered for mobility, this gem of a chair provides movers of all sizes a chance to relax or burn off a little energy with the most satisfying sit-around. 14" height works best in Pre-K.

### Discover Rocker

The chair that reinvented student seating is now redefining movement. The Discover Rocker offers a harmonic blend of flexibility and support with just a touch of motion. Research shows that students benefit from flexible seating options that allow them to move. 14" height works best in Pre-K.

### MOV Stools

MOV is an active stool that promotes user movement and activity. Students love to move, and MOV supports that natural urge in a fun and productive way. The attractive and simple design with a wider footprint makes MOV extremely stable, safe, and fun to use. A 14" height works best in Pre-K.

## SHAPE TABLES

### Trapezoid Shape Table

The Trapezoid is a variation of the traditional rectangle with various configuration options to support larger groups. Group two Trapezoids together to create a hexagon shape that can accommodate six learners.

### Horseshoe

Horseshoe is a versatile, large top that can be used alone or combined to create dynamic learning environments. It is 60" x 66" top.

### Nova Shape Table

Nova has a large 60" work surface that can support 4–8 students. It also works with other popular shapes, such as Expanse, Gravity, and Nebula, as well as Wanderer student desks, for versatility and flexibility.

For all the shape tables, use adjustable post legs in juvenile (13"–18") or table height (19"–29") or fixed height legs (25") for Pre-K. Consider tables set at 27" as standing work surfaces for younger students. Add wheelbarrowed locking casters for easy mobility.

## Tall Storage

68"-tall storage cabinets can be used anywhere you need extra locking storage. Sturdy laminate-clad cabinets are on heavy-duty casters, so they can be moved around, even fully loaded.

## Mobile Wardrobe

These lockable tall storage cabinets can also double as wardrobes for teacher coats, umbrellas, and more. Durable laminate construction stands up to daily use, while heavy-duty casters make it easy to move, even when fully loaded. A smart, secure solution for staff rooms, classrooms, or anywhere personal storage is needed on the go.

### Maker Space Table

A Maker Space is a place to build, tinker, work, and get creative. Artcobell Maker Space Tables do it all. Choose from a number of high-pressure laminate (HPL) tops in sizes from 24" x 48" to 36" x 72". Then select from our matching heavy-duty Maker Space frames. Add heavy-duty casters, customized peg board storage on the end panels, and optional shelving.

## Maker Space Cabinets with Rails

Storage that's mobile, flexible, and built of heavy-duty steel. Cabinets with rails can be expanded with separate lockable doors, three sizes of trays, and a shelving option that can also move between cabinets and desks.

## Maker Space Cabinets with Cubbies

Cabinets with shelves feature sturdy, built-in metal cubbies. Both options come with pre-drilled holes for installing the charging/power grommet. They are compatible with stand-height (42") tables or mobile bookcases. They are available with nine (9) or six (6) 10.5" tall x 12" wide cubbies to hold backpacks, shoes, lunchboxes, and more.
