

A GUIDE TO STUDENT DESK LEGS

artcobell

DSLIP OR DTLP
WHICH SHOULD I USE?
WHAT'S THE DIFFERENCE?

Use **DTLP** (2" diameter) legs with **DHT** 1-1/8" thickness tops

Adjustable and fixed height legs: café and stand height desks (+29")

Use **DSLIP** (1-1/2" diameter) legs with **DST** 7/8" thickness tops

Adjustable and fixed height legs: seated height desks (22"-34")

If you plan to configure Desks and Tables together, use **DHT/DTLP** to keep thickness and surface levels consistent.

Note: Bookboxes may not fit on DHT desks using DTLP legs. Confirm top shape and book box type.

Shape Desks | Legs

Choose the right legs for your student desks
