

# R90 Series | Open Front Desk

Uniflex R90 Series four leg desks feature both 18" x 24" and 20" x 26" rectangle tops and an integrated metal book box and multiple work surface material options.

## MDF Core Work Surface (3)

Work surface is constructed of 3/4" thick medium-density fiberboard (MDF) core surfaced with high-pressure laminate (HPL) on the top surface and a resin impregnated phenolic paper backer sheet on the underside to balance construction and minimize warping. MDF has a clear edge sealed with a clear polyurethane sealant.

## Particleboard Core Work Surface (E)

Work surface is constructed of 3/4" thick 45# particleboard core surfaced with high-pressure laminate (HPL) on the top surface and a resin impregnated phenolic paper backer sheet on the underside to balance construction and minimize warping. Coordinated flat vinyl edge is secured to the perimeter of the top.

## Solid Plastic Work Surface (S)

Top is constructed of 5/8" thick high-impact solid work surface comprised of wood flour and melamine resin which is molded into a homogeneous unit by heat and pressure. The solid plastic work surface shall include a molded in pencil groove.

## Frame and Book Box

Upper frame is constructed of 1 1/8" 18-gauge tubular steel with integrated metal book box. Book box is die formed from one piece of 22-gauge steel with curled edges and integrated pencil tray. Exterior dimensions of 22 3/4"w x 16 1/4"d x 5"h. Upper frame is available in powder coat finish; completed after welding for improved aesthetics. Lower leg (inserts) are made of 18-gauge tubular steel in nickel chrome and receive Phillips locking screws. Legs adjust from 22"-30" in 1" increments.

## Glides

Standard swivel self-leveling glides utilize a six-star internal gripping mechanism which positively secures the glide to the inside of the leg. The "no cuff" design prevents dirt build up. Glides are available in nylon, steel or non-skid (soft rubbery base material made of elastomer/rubber/TPR). Other options include boot glides or Q-ball glides. On the fixed height option, there shall be four adjustable glides in ensure a level work surface.

## Compliance

- > Indoor Advantage™ Gold. Indoor air quality certified to SCS-EC10.3-2014
- > Tested to applicable ANSI/BIFMA Furniture Standards

## R90 Series
